Dear Heads of Sport/Swimming,

We are writing to you to share some exciting news in relation to school swimming. We would like to invite you to be part of the inaugural season of the school Swimming Super League. As outlined, the aim of the league is to provide regular and purposeful school swimming team competition leading to a grand cup final at a neutral and special venue to crown the Super League champions and super league plate winners.

The league in its first year will hopefully involve at least 12-16 school teams with the top 6-8 teams progressing to the Cup final and the lower 6-8 team progressing to the Plate final. Entry to the league will be on a first come first served basis. Should demand exceed the initial planned places there is potential to expand subject to having adequate host teams being available.

Best wishes

**Rob Kift**  
*Director of Sport*
